

## OFFSET REAMER HANDLE

**PROFILE:** Low profile head is 6mm shorter than competitive offset reamers

**USER FRIENDLY:** With only 4 components, it's easily cleaned, assembled, and disassembled

**COMPATIBLE:** Cross-compatibility option available for seamless logistics with acetabular reamers

**FLEXIBLE:** Handle adjustable every 45°

**REPLACEABLE:** Exchangeable UJ chain

**IN-SITU ATTACHMENT:** Park function allows the head to be locked in an open position
